

# A Season Tourist Guide

## Spring:

In spring the weather is sunny and warm. Tourists can visit museum and theatre and visit the monuments. As for clothes they will need a hat, trousers, a shirt.

## Winter:

In winter the weather is rather cold. But there is not much snow on the ground. Tourists can go skiing and ice skating in winter. They will need warm sweaters, trousers, jacket, scarves, mittens and boots.

## Summer:

In summer the weather is good, sunny, but there may be also cool days. In summer tourists can go to the park. The best way to relax is to go to the sea in summer. The nearest sea is 400km away from Rostov. In summer tourists need different clothes in sunny weather: a hat, shorts, T-shirts, sandals. In a cool weather they need a jacket, trousers and sneakers.

## Autumn:

In autumn the weather is cool. It often rains. Tourists can visit Logo Park in Kamenky district. Tourists will need an umbrella, scarf, coat and boots.

# Spring.

In the Rostov region in spring it is warm. All plants begin to bloom and fragrant. Trees bloom very beautifully, especially cherries. In spring the sun often shines brightly and the sky is blue. In the spring in the Rostov region, the weather is fine. Sometimes there is a breeze. The average temperature in spring is 5 above zero, besides it can be a little wet.

Granfell

The naked earth is warm  
with spring.  
And with green grass and  
bursting trees.

Leans to the sun's kiss  
glorying,  
and quivers in the sunny  
brees.

In Summer  
Tourists in the Rostov region  
like to catch fish and crayfish.  
There are many lakes in the Rostov  
region. I would advise them to visit  
nature to observe them to visit  
animals and insects.

In hot weather you can wear a cap,  
T-shirt and shorts, and in rainy weather  
you can wear jacket, not warm pants and  
a rain coat.
