Dear friends!

If you really enjoy English and you feel that you have good knowledge of it and you want to check your English skills, I suggest you taking part in the internet-olimpiad for free.

<https://english-olympiad.ru/internet-olimpiada-po-angliyskomu-yazyku>

**Any person** can take part in it (from the 1<sup>st</sup> form students to professionals).

Many interesting tasks will be given to you including **reading, listening, grammar and vocabulary**. The time of the olimpiad is limited (**3 hours**).

If you scored at least 10% of the correct answers, you can order your electronic and / or paper certificate of participation in the All-Russian Internet Olympiad in English.

I have already taken part in the olimpiad and got the certificate!
